Re: Concern citizen of the community on Kitikmeot Medivac;

Dear Hon. Netsilik MLA,

We are writing to you as a concerned citizen came to our Council Meeting in our February 09th meeting.

A concern the individual address so clearly on the medical emergency Initiatives the health Department use on Medivac,

The concern we have is when it comes to medivac, Nunavut uses one company Airline for Emergencies,

Which the plane come from Iqaluit to pick up Kitikmeot patients to Yellowknife or sometimes to Edmonton, and this concerns people of the time to get to destination in Emergencies,

This, Hon. MLA Quqqiaq it will be addressed to the Health Department because we are not the only community have the concern and hoping will have better emergency services in the near future,

In closing we appreciate for you to take the time to assisting in our time of needs,

Kindly

Teddy Apsaktaun 

Mayor and Council,

Kugaaruk NU, X0B 1K0
